Subject: Winter Season Provisions

Notice Text: Texas Gas Transmission, LLC ("Texas Gas") is reminding customers of the Texas Gas FERC NGA Tariff language related to storage in Rate Schedules NNS (Section 5.4), NNL (Section 5.5), SGT (Section 5.6), SGL (Section 5.7), WNS (Section 5.9), FSS (Section 5.12), and FSS-M (Section 5.17).

For Rate Schedules NNS, NNL, SGT, and SGL, no more than 50% of Customer's Unnominated Seasonal Quantity shall be withdrawn in any consecutive 30 day period.

For Rate Schedules FSS and FSS-M, no more than 50% of Customer's Maximum Seasonal Quantity shall be withdrawn in any consecutive 30 day period during the period November through March.

For WNS, customers should adhere to the unnominated quantity rights specified in their service agreement.

Customers should also refer to the specific rate schedules in the tariff to review the tariff language applicable to their service agreement(s).

If Customers do not voluntarily comply with these provisions, a nomination request may not be scheduled or Texas Gas may be forced to issue an Operational Flow Order, which could result in penalties for customers.

Customers should monitor the Texas Gas Informational Postings Website for further notice regarding possible Operational Flow Orders.

If you have any questions, please contact your customer service representative.
