Subject: Safe Harbor Waiver SLN 024329

Notice Text: Currently, gas flowing to delivery location SLN 024329 - STRATTON RIDGE (TO FREEPORT LNG) does not conform to the Safe Harbor limits defined in Section 5.1.1[3(a)] of the Gulf South Pipeline Company, LP ("Gulf South") currently effective FERC Gas Tariff ("Tariff"). Pursuant to Section 5.1.1[3(b)] of the Gulf South Tariff, Freeport has notified Gulf South that it is willing to waive the Safe Harbor threshold at its interconnect with Gulf South as described below.

Waiver Effective Date/Time: January 27, 2023, 08:00 am

Waiver Through Date/Time: Until further notice

Delivery Interconnect: SLN 024329 - STRATTON RIDGE (TO FREEPORT LNG)

Component: Nitrogen

Operating Capacity: N/A

Freeport reserves the right to rescind the waiver at any time. All shippers delivering to this location should continue to evaluate their receipt volume, respective gas quality, and make necessary adjustments to correct the blended gas quality during future gas cycles.

Gulf South will use commercially reasonable effort to manage the gas composition of the Coastal Bend Header through a process of monitoring and blending on the Coastal Bend Header to ensure the safe operation of the Coastal Bend Header, or to assure that gas blend will meet quality specifications at the Stratton Ridge delivery interconnect.
