Subject: Force Majeure Index 212-2 - Effective 8/20/2024

Notice Text: Pursuant to Section 6.21.5 of the currently effective Gulf South Pipeline Company, LLC ("Gulf South") FERC NGA Gas Tariff, a force majeure event is declared for Index 212-2 effective immediately on 8/20/2024. A force majeure event occurred on this line when it was struck by a third party and, as a result, Gulf South is unable to deliver gas at the meters listed below.

- SLN 3344 Springhill Mill (International Paper)
- SLN 7838 (Northwest Farm Tap Rural Service)

As a result of this force majeure event, Gulf South will not be able to provide service to these locations until further notice. Gulf South is working to resolve the issues and restore service. Gulf South will update this posting when restoration is complete.

Please contact your customer representative with any questions.
