-----  
Due to Customer's failure to take confirmed quantities at Location SLN 24329 - STRATTON RIDGE (TO FREEPORT LNG) located in Area 25, Gulf South Pipeline Company, LLC ("Gulf South") is notifying customers that it anticipates confirmation reductions beginning ID1 and the remaining nomination cycles for Gas Day 1/24/2025 and until further notice based upon Projected Daily Quantities\* at this Location.

Gulf South continues to monitor this issue and will confirm and schedule nomination cycles pursuant to the nomination timeline.

If you have any questions, please contact your customer service representative.

\* "Projected Daily Quantities" is the greater of the Elapsed Prorated Scheduled Quantity or the Accumulated Measured Quantity plus the Estimated Measured Quantity for the balance of the Gas Day. "Accumulated Measured Quantity" is defined as the measured quantities through the location since the beginning of the Gas Day. The "Estimated Measured Quantity" is the number of hours remaining in the Gas Day multiplied by the 30-minute average of the current flow rate divided by 24 hours.
